Technology Consulting and Installation

Hotel Management companies that want to focus on their core business, rather than technologies, come to EscapeWire Solutions. Nationwide, EscapeWire takes the complexity out of technology providing end-to-end IT and Multimedia solutions.

The management company for this Candlewood Suites required diverse technologies to be implemented in a short window of time, and felt confident turning to EscapeWire, an experienced, efficient solution provider.

Our innovative use of emerging technologies allows us to build IT solutions that are of the highest quality and meet the flexibility and mobility needs of most businesses.

We needed a complete IT solution for a new build of our branded suites hotel. EscapeWire's team provided the planning, management, installation and maintenance for the wide range of technologies our property requires. They are 100% reliable. This is critical in the 24/7 hotel business, when systems can fail at any time and materially affect our customer satisfaction and bottom-line.
